FACT Corporation Interviewing to Fill New Chief Operating Officer Position

.....

Neptune, N.J. - (Business Wire) – May 25, 2006 --

FACT Corporation (OTCBB:FCTOA), an emerging nutrition solutions company, today announced that interviewing is underway for the new corporate position of Chief Operating Officer. Management expects to fill the position in the next 30 days.

"We expect to hire an experienced team leader with proven sales ability to spearhead our business-development initiatives," said Jacqueline Danforth, CEO of FACT Corporation. "As we broaden our marketing efforts this year, we are highly confident that the person we choose to direct those efforts will deliver excellent results."

Ms. Danforth further commented, "The decision to hire a Chief Operating Officer at this time is in direct response to our anticipated corporate growth to the end of fiscal 2006 and beyond. With the expectation of additional product sales in the near term, FACT will need to ensure we have the appropriate team in place to manage all our prospective product placement opportunities."

About FACT Corporation

FACT Corporation develops, licenses and markets proprietary nutrition solutions to commercial customers through its wholly-owned subsidiary, Food & Culinary Technology Group Inc. ("FACT Group"). FACT Group serves commercial bakery operators that manufacture and distribute functional baked goods (such as muffins, bagels, cookies and brownies) designed for a rapidlygrowing consumer marketplace focused on quality, taste and nutrition. These products are marketed via both conventional and alternative distribution channels, including branded and private-label retail opportunities, as well as foodservice and specialty markets.
