FACT Corporation Reports Accelerating Revenue Growth From Key Customer; Product Distribution Expansion Delivers Strong Three-Month Results

.....

Neptune, N.J. - (Business Wire) – November 1, 2006 -- FACT Corporation (OTCBB:FCTOA), an independent nutrition solutions company, today announced significant revenue growth from one of its key customers during the three months ending September 30, 2006. The increase in revenue exceeded 100% when compared to the same three months of 2005.

"I'm delighted to see the positive results from expansion by one of our key customer accounts into new areas of product distribution," said CEO Jacqueline Danforth. "We believe that the increased monthly sales volume we are seeing from this particular customer will continue over the balance of the year and into 2007."

Danforth added, "Our business prospects continue to rapidly improve as we near finalization of certain additions to our current product portfolio. We expect these new products to be on our commercial dough-mix list by the end of the year."

About FACT Corporation

FACT Corporation develops, licenses and markets proprietary nutrition solutions to commercial customers through its wholly-owned subsidiary, Food & Culinary Technology Group Inc. ("FACT Group"). FACT Group serves commercial bakery operators that manufacture and distribute functional baked goods (such as muffins, bagels, cookies and brownies) designed for a rapidly-growing consumer marketplace focused on quality, taste and nutrition. These products are marketed via both conventional and alternative distribution channels, including branded and private-label retail
